## **GUIDELINES & REQUIREMENTS**

Open to all student artists in grades K-12 in the East Tennessee region [living in the Eastern Time Zone of Tennessee]. Teachers should select a total of two entries to submit in the competition.

Submit only work completed within the last school year. Entries must be original works in the following categories: Painting, Drawing, Sculpture, Ceramics, Photography, Computer Graphics, Mixed-Media, and Printmaking. The maximum allowed size is 22" X 28". Weight is not to exceed 50 lbs. Student artwork does not need matting before submitting an application. 3-D works should be sturdy and stable or otherwise secured to a base. The juror reserves the right to disqualify any work not suitably presented.

As per instructions from the framer all 2-D student artwork may be submitted without frames or mats. This will make it simpler for the gallery to prepare the selected pieces for exhibition (frames will become the property of the student artists at the conclusion of the exhibition, compliments of ExpressFrame).

Several scholarship offerings to accredited Colleges of Fine Art will be awarded to high school students –more information concerning the institutions and amounts will be announced at the awards ceremony.
